Taylor Steele and The Love Preachers play a powerful mix of soulful blues and country with the tight chemistry of a family jam band steeped in equal parts bluegrass, jazz, and rock.

There is plenty of good reason for the hype surrounding Taylor Steele and The Love Preachers (TSLP for short). The perfect mixture of seasoned professionals coupled with youthful enthusiasm, TSLP is a festival-proven crowd pleaser.

With a wide range of excellent influences to choose from, TSLP songs are refreshingly original while still displaying roots that take you back to your favorite bands of the past.

"Taylor Steele has one of those unique expressive voices that come from an old soul - Her range and timbre bring an authenticity to each song that should get the attention of any fan of Americana roots music. There's a purity and simplicity to the Love Preachers that reminds me of Sunday morning gospel services in the South."
